

NYC Big Apple Adventure™

Dear Participants,

We would like to take this time to introduce Metairie Ridge Presbyterian Church's 2011 vacation bible school theme- the Big Apple Adventure.

New York City! The Crossroads of the World!

A city of 8 million people speaking every known language and representing every known culture. Imagine for a moment masses of people strolling, rushing, walking or running through their daily lives. Yet amid all this hustle and bustle Jesus knows each and every person intimately.

Scripture reveals that Jesus often traveled to cities – the crossroads of his day. In each city He Encountered people who stepped out to demonstrate their faith, trust, love and hope by connecting with the Son of the Living God.

During Big Apple Adventure, kids of all ages will have a chance to discover that faith and life do connect. They will discover people in the Bible who at the crossroads of their lives stepped out in faith and connected with Jesus Christ. They will also discover how they too can step out in faith and make a connection with the Son of the Living God. Daily themes are:

Day 1: Connect with Faith!

Day 2: Connect with Love!

Day 3: Connect with Trust!

Day 4: Connect with Others!

Day 5: Connect with Life!

We cannot wait to for this year's VBS and pray to see your beautiful children there as well.

If you wish for your child to participate this year please fill out the registration form found online or with our church office 504-833-6357.
